

PRAYER INSPIRED BY POPE FRANCIS' SEPT 1 MESSAGE

Loving Creator,

We have forgotten who we are:
creatures made in the image of God (cf. Gen 1:27) and
called to dwell as brothers and sisters in a common home.

We were created not to be tyrants,
but to be at the heart of a network of life
made up of millions of species
lovingly joined together for us by our Creator.

May we rediscover our vocation as children of God,
brothers and sisters,
and stewards of creation.

May we take this time to repent,
to be converted
and to return to our roots.

May we remember that we are beloved creatures of God,
who in his goodness calls us to love life
and live it in communion with the rest of creation.

Amen
